

Legal & General crowned 'Britain's Most Admired Company 2022'

Legal & General has been announced as Britain's Most Admired Company for 2022, ranking top among FTSE listed companies in the UK spanning 28 different sectors.

"Being recognised by our peers as Britain's Most Admired Company is a huge honour and a high point in our 187-year history. I am accepting on behalf of all my colleagues who work tirelessly on behalf of customers and clients, and who collectively make our purpose of Inclusive Capitalism – great financial and social outcomes – a reality".

Sir Nigel Wilson, Group CEO

Legal & General scored consistently strongly across all 13 measures of reputation, securing the highest ratings of all companies for its Inspirational Leadership and ESG. In all, Legal & General topped 12 of the 13 criteria in its sector (Financial Services) ensuring its place as the overall winner of Britain's Most Admired Company for 2022.

Run by independent Expert Witnesses in corporate and brand reputation, Echo Research, in partnership with Coventry University, the study is the longest-running independent survey of its kind on corporate reputation in the country, now in its 33rd year.

In this annual benchmark, C-suite business leaders across the FTSE and their financial analysts are invited to rate companies in their sector, based on a set of 13 criteria ranging from Quality of Management, Quality of Products and Services, Financial Soundness and Environment, Social and Governance (ESG) through to Innovation, Inspirational Leadership and the Ability to Attract and Retain Talent.

Notes to editors

About Legal & General

Established in 1836, Legal & General is one of the UK's leading financial services groups and a major global investor, with over £1.2 trillion in total assets under management* of which a third is international. We also provide powerful asset origination capabilities. Together, these underpin our leading retirement and protection solutions: we are a leading international player in pension risk transfer, in UK and US life insurance, and in UK workplace pensions and retirement income. Through inclusive capitalism, we aim to build a better society by investing in long-term assets that benefit everyone.
